

SUBMISSION REPORT

SonarQube Installation & Verification

Name:	Muhammad Ehtasham	Date:	24 Jul 2026
Roll No:	24F-3098		
Course:	Research Internship		
Supervisor:	Affan Rauf		

1. Installation Summary

SonarQube has been successfully installed using Docker Compose on a Windows 11 system with WSL2 integration.

Component	Status
Docker Desktop	Installed and running
WSL2	Installed and configured
SonarQube Container	Running
PostgreSQL Container	Running

2. SonarQube Details

Detail	Value
SonarQube Version	v26.7.0.124771
Edition	Community Build
Mode	MQR Mode
License	LGPL v3

3. Server Status

Operational — verified via Administration → System.

4. Access Details

Item	Detail
URL	http://localhost:9000

Item	Detail
Default Username	admin
Default Password	admin
Password Status	Changed successfully

5. Docker & PostgreSQL Details

Item	Detail
Docker Version	29.6.2
PostgreSQL Image Version	16
Operating System	Windows 11
Installation Date	24 July 2026

6. Image Digest

```

docker image inspect sonarqube:community --format='{{index .RepoDigests 0}}'
sonarqube@sha256:160bd2f6a3485bd09b655ef22dd63c02bd1fa7ba82aa5d9973fd010b8bcca0b3
S C:\Users\hp\sonarqube-installation>

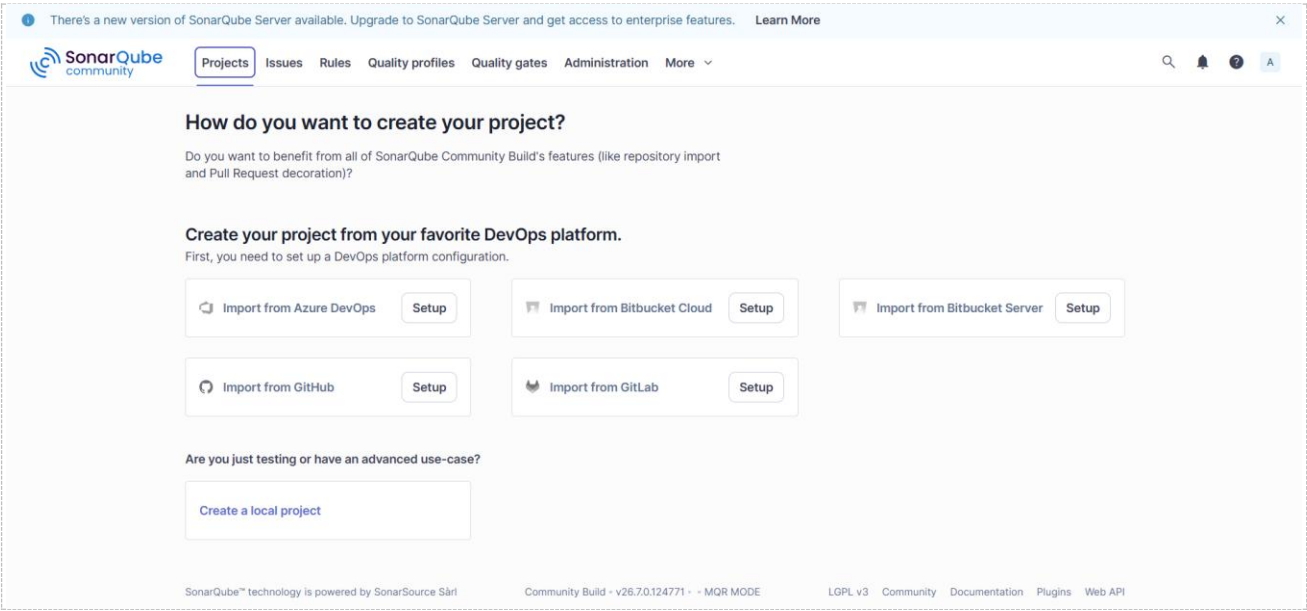

```

7. Verification Checklist

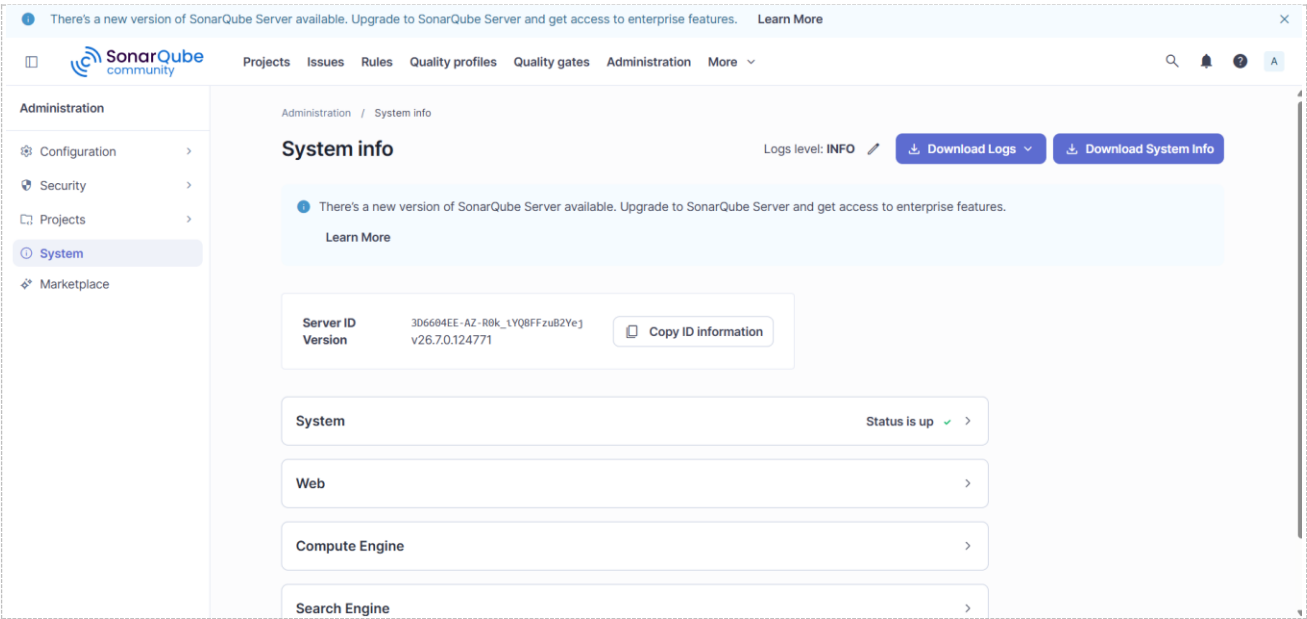

- ☒ http://localhost:9000 opens successfully
 - ☒ Administrator can log in
 - ☒ Default password changed
 - ☒ Both Docker containers are running
 - ☒ SonarQube reports Operational status
 - ☒ SonarQube version recorded
 - ☒ Image digest recorded
 - ☒ SonarQube restarts without data loss
-

8. Screenshots

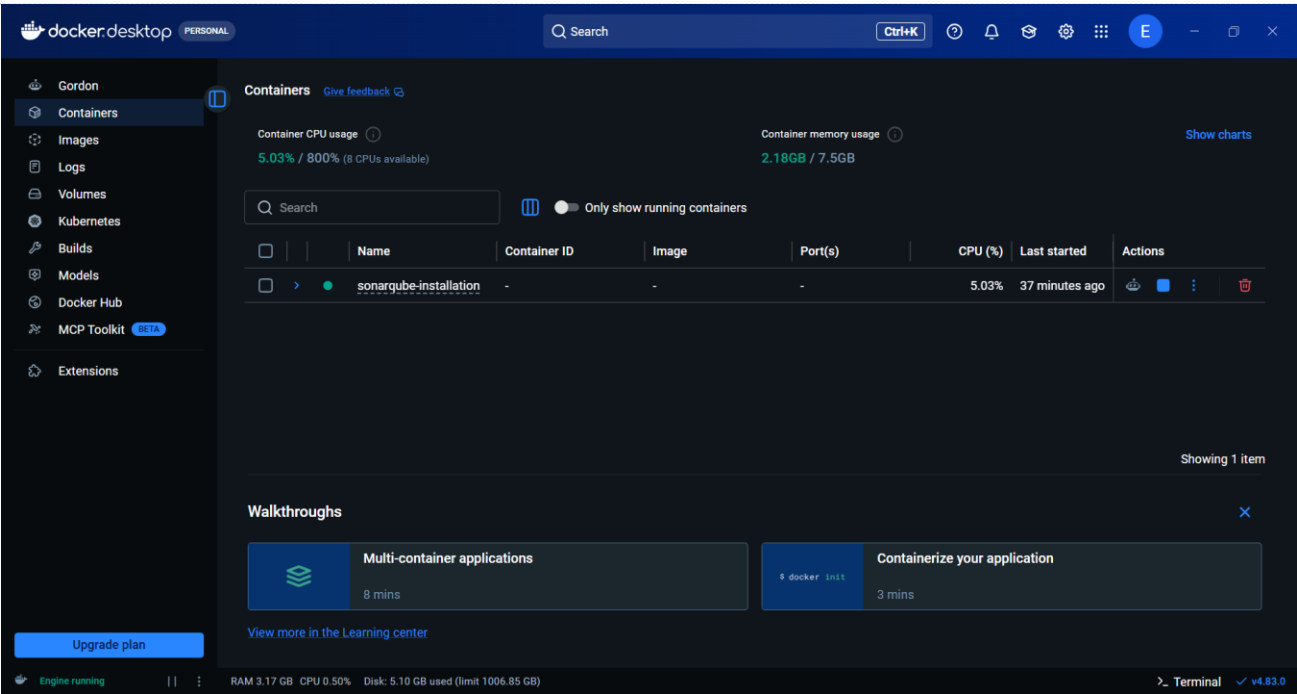

Screenshot 1: SonarQube Dashboard

Screenshot 2: Administration → System (Operational Status)

Screenshot 3: Docker Desktop — Running Containers

9. Troubleshooting Encountered & Resolved

Issue	Solution
WSL not installed	Installed via 'wsl --install' in PowerShell (Admin)
Docker 500 Internal Server Error	Restarted Docker Desktop after WSL installation
Memory limit	Allocated 4 GB via .wslconfig file

10. Declaration

I, Muhammad Ehtasham, confirm that the SonarQube installation has been successfully completed, verified, and documented as per the assignment requirements.
